ANOTHER MARYLAND TRACK

SECOND RACE COURSE UNDER CONSTRUCTION AT HAVRE DE GRACE.

Promoters Expect to Have It Ready for Racing Over the Coming Fall-Baltimore and Local Capital in Control-Dates Sought from Jockey Club.

Baltimore, Md., August 14.—Work is being pushed forward on the second mile course at Havre de Grace, Maryland, where the Havre de Grace Agritural and Mechanical Fair and Racing Association of Harford County contemplates conducting a race meeting this fall. Application has not yet been made for dates. This course will adjoin that of the new track of the Harford Agriculture and Breeders' Association, now practically completed, but it is controlled entirely by Baltimore and local capital. No expense will be spared to make the plant thoroughly modern in all of its appointments and the plans call for an establishment that will be one of the best in the State of Maryland.

Col. H. D. Hanway is president of the association, and among others who are identified with the project are Henry B. Wolf and J. Royster Stifler, who is the attorney for the club.

This track is being built on the main line of the Penasylvania Railroad and such train arrangements will be made as will render it easy of access from Baltimore, Washington and Philadelphia. The course will be a full mile, with broad turns and long stretches of ample width. The grandstand will have seating capacity for 4.500 persons and the various buildings will be constructed in accordance with modern and sanitary plans. Application for dates will be made to the Jockey Club at New York.

THIRTY LEADING MONEY-WINNING HORSES OF 1912

One reason why Star Shoot is far in the lead of the successful sires of the year is the fact that the ply horses that have been able so far to win \$10,000 or more owe their paternity to him. That only two are done this speaks volumes in showing the vastly diminished returns to be had from American racing, a compared with a few years back. One of the two has retired from racing for this year, but Star Charter still a potent factor and quite likely to pass Helios in total winnings before Canadian racing of 1912 arminates. Plate Glass is a capital race horse and has a good prospect of attaining the \$10,000 mark before snow files, as also do the crack three-year-olds, Worth, Froglegs, The Manager and Free Lance, each which should win stake races of good value in the Kentucky fall racing. At present the thirty best inners and their records are:

KENTUCKY TRAINING IS RESUMED.

Fastest Work Since Spring Recorded Over the Churchill Downs Course Yesterday.

Churchill Downs Course Yesterday.

Louisville, Ky., August 14.—The fastest work of the fall season was done by Coletta and Golden Rule over the Churchill Downs course this morning. They worked a half mile in :48%. The first three furlongs were covered in :36. Felix, Theodore Abadie's three-year-old, and the maiden three-year-old, Coreopsis, worked a half as a team in :49, running the first quarter in :23%, and three furlongs in :36%. W. S. Trevey worked two yearling colts, one by Cunard—Miss Marconi, and the other a brother to Martine H. They went a quarter in :25, which is the fastest work so far for yearlings. Secretary Lyman H. Davis received a letter today from August Belmont, who is at Newport, R. L. to the effect that he desired to engage stall room for Raymond, his candidate for the Kentucky Endurance Stakes, to be decided October 7. This will be the only racer Mr. Belmont will ship to Louisville this fall. He concluded his letter: "While I do not have an opportunity often to see my horses run, nevertheless they are nearer to me while racing in Maryland and on the Canadian circuit, and if this was not the case, I would race more in Kentucky. As you well know, I have few horses in training in America at the present time. The bulk of my stable is in England. I expect the Kentucky Endurance Stakes to be run over the Downs course to be one of the greatest races ever witnessed in America."

Secretary Davis has applications from F. D. Weir, H. C. Hallenbeck, Engene Lutz, J. F. Gaffney and I. T. Wever for stall accommodations. Mr. Hal-

A yearling by McGee and a two-year-old by Santon arrived at the Downs today. They are owned by the noted trainer, Carroll B. Reid. Mr. Reid is returning to the turf after a long rest. These are the first horses he has had in training since he raced Ben Trovato and Third Rail. He owns now a fine looking weanling colt by Ben Trovato. All of his present racers are out of the same mare. Mr. Reid has been residing on his farm near Houstonville, Ky. He trained The Picket when that horse won the American Derby and Brooklyn Handicap. Another noted horse trained by him was Bangle, one of the best horses Tennessee ever sent to the turf. Until Carl Jungbluth died, Mr. Reid trained all of his racers.

carl Jungbluth died, Mr. Reid trained all of his racers.

Besides Free Lance, Peter Coyne has twelve horses in training for George J. Long at the Downs. All are two-year-olds, including the winners Semprite, Merlin, Madelle and the maidens Miletus, Lanka. Cheerful and Luria. He also has three fillies by Sempronius and one by Sir Huon. The last four have not been trained except as yearlings last fall. Another youngster in the Long barn is Wyenoke, trainer Coyne has twenty-one horses to look after. With his eight yearlings, trainer Coyne has twenty-one horses to look after. Among the maiden two-year-olds in this string are several youngsters of promise, Mr. Coyne thinks a good deal of Merlin. George M. Odom also likes

Merlin, but when he tried to buy him he was informed that he was not for sale. Merlin never has run to his best work, although he is a winner. All he needs is a little time, Coyne thinks.

The rail birds are keeping close watch on the Long stable and are expecting Free Lance to be set down for a fast mile before long. Mr. Coyne has been waiting for a good track and as Free Lance is in superb form it is likely he will be tried out before the close of the week.

LITTLE JANE RUNS A GAME RACE.

Away from the Post Far Behind Her Opponents, She Gets Up to Score by a Nose.

Butte, Mont., August 14.—Today's card was made up of a series of selling races. The fourth race, a dash of five furlongs, furnished an exciting finish between Little Jane, Pajaroita and Chas. Goetz. Little Jane, from the stable of W. C. Claney, broke with her opponents, the start being a good one, but in an instant she was pinched out of contention. The others then left her many lengths behind. Jockey Corey applied his whip and the filly fairly flew. Before they had traversed a quarter of a mile, she was up with the leaders, Pajaroita and Chas. Goetz, and, in a fierce stretch struggle, she managed to get the decision by a nose.

Jockey Selden was fined \$25 by the judges for rough riding in the fourth race.

F. Augustus Heinze, the copper magnate of New York, formerly of Butte, was an interested visitor at the course this afternoon.

State Senator William Dunnigan, of Anaconda, one of the staunchest supporters of racing in the state of Montana, was a guest of the local association today.

CHANGE IN HAVRE DE GRACE PLANS.

In order to avoid conflict with the meeting of the Maryland United Hunts at Pimileo, a change has been made in the arrangements for the opening of the new track of the Harford Agriculture and Breeders' Association at Havre de Grace, Md. The meeting will be opened on Saturday, August 24, instead of on Monday, August 26, as originally scheduled, and there will be no racing at Havre de Grace on two of the days that racing will be conducted at Pimilico by the United Hruts. This will leave only one day on which there will be a conflict between the two tracks and that will be Labor Day, when there probably will be sufficient patronage for both courses. The Havre de Grace meeting will run for twenty-nine days under the revised schedule, closing on September 30. For the opening day Secretary Fred Rehberger has announced an attractive program of six races, made up of an all-aged handicap, \$1,000 added, six furlongs; an all-aged handicap, \$1,000 added, one mile and seventy yards, a selling race for two-year-olds, \$500 added, five furlongs; a selling race for three-year-olds and over, \$500 added, one mile and neighth; a selling race for three-year-olds and over, \$400 added, one mile and seventy yards; and a special weight race for two-year-old maiden fillies and geldings, \$400 added, five furlongs, Entries for the handicaps will close at the new course on Thursday, Angust 22, at 1 p. m. and for the other races on the following day.

As a part of the new arrangement the Maryland United Hunts management has changed the dates for its meeting to August 28 and 30 and September 2. It will be on racing at Havre de Grace. Both tracks will have races on Labor Day, September 2, but as the Hunts program calls for four steeple-chases on that day, while no jumping events will take place at Havre de Grace, the character of the sport will be sufficiently diversified to attract large crowds to each course.

At one time it was feared that the Hunts meeting vecived word from Manager Edward Eurke of the new course that he was willing to cha

HAMILTON RACING FORMFUL

TRACK AGAIN IN FAST CONDITION AND FIVE FAVORITES SCORE.

Froglegs Takes Another Purse for J. W. Schorr-Bell Horse and Plate Glass Returned Winners of Handicaps-Sea Cliff Is Bid Up.

Hamilton, Ont., August 14.—Improved track conditions brought a corresponding improvement in the sport here this afternoon. The track was fast and form was so well observed that five of the seven favorites were first at the finish. The Midsummer Handicap was split and the second half of it was run as the fifth race. Bell Horse won the first half and Plate Glass the other. Both were well backed public choices, Plate Glass beat a band of the best horses that have gone to the post during the meeting in his race. He came from behind and displayed great courage in the stretch drive, Guy Fisher was second and Granite third. Adams Express, making his maiden effort in Canada, was a keen factor for six of the seven furlongs, but lack of condition told at the finish and he tired.

Bell Horse made all the pace in his race, but was tiring at the finish, Penobscot, which finished second, was probably best and would have won with better racing lack. McCahey was unfortunate in getting into a jam directly after the start, and was crowded back to last place. He was wearing the winner down and was only beaten a scant length.

The Schorr three-year-old, Froglegs, added another to the long list of victories he has scored this season when he won the Birmingham Special, a dash of a mile and an eighth for three-year-olds. Mission furnished stont opposition to the stretch furn, where Froglegs drew away to win easily. In the last sixteenth the latter bore over to the inside rail, but was just about clear and did not interfere with Mission, which finished second.

One of the disappointments of the afternoon was the defeat of John Reardon in the race over the horse another one of his bungling rides, losing much ground in entering the homestretch. Koerner's finish on Sea Cliff was greatly responsible for that horse's victory in the sixth race. After looking hopelessly out of it at the stretch turn, he wore down the leader and just did manuge to get up in time to beat Moncreif a nose. It was a close thing and the winner remained in doubt un

30.

Sea Cliff was bid up \$300 over his entered price of \$500 by J. H. Mead, but was retained by J. W. May. J. C. Sturgiss has purchased from Sam Louis the two-year-old Marie T., which the latter claimed from It. T. Wison. She cost Mr. Sturgiss \$1,300.

Gallaher Bros. and J. W. May will ship their stables from here to Lexington on Monday next. J. W. Schorr will send three horses in the same car. W. F. Sadler claimed Burnt Candle after he was beaten in the second race. He cost him \$800.

A special train, made up of fifteen carloads of horses, will leave Canada for the new track at Havre de Grace, in Maryland, on Monday next.

ENDURANCE STAKES TO BE GREAT BACE.

ENDURANCE STAKES TO BE GREAT RACE.

Louisville, Ky., August 14.—Judge Charles F. Price, who will preside at Churchill Downs and Douglas Park this fall, has written to Col. M. J. Winn from Atlantic City, where he is sojourning in company with Mrs. Price and his son, Clarence Price.

while from Attailer City, where he is soluting an company with Mrs. Price and his son, Clarence Price.

Judge Price predicts that, judging from the entries for the Kentucky Endurance Stakes, the race will be the greatest four-mile event ever run in the United States. It will be by far the richest event of this kind ever provided by an American race track. Its estimated value is \$15,000, and in addition there will be a gold cup, worth \$1,000, the gift of the Kentucky State Racing Commission.

A feature especially pleasing to Judge Price is the international character of the race. Its entries come from all over America, including one from Mexico, several from Canada and one from either England or Germany. Dr. McEnery, the wealthy Londoner, has agents in both of the latter countries named looking for a champion stayer able to capture the Downs' big race.

Such quality, Judge Price says, never before was represented in a similar race. With such keen rivalry existing, he expresses the belief that by October 7, the date on which the race is to be run, interest in it will prevail far and near. Judge Price has witnessed the running of every Kentucky Derby and he says he believes that the crowd which will be attracted to the Downs by the Kentucky Endurance Stakes will eclipse by far any Derby day record in the history of racing in Louisville.

NOTES OF THE TURE.

The thoroughbred yearling, Mont d'Or, a son of Val d'Or and Loneliness, was purchased at Paris yesterday by an agent of J. E. Widener of Phila delphia for \$20,000. This is said to be the highest price ever paid for a yearling in France.

The yearlings in the R. F. Carman stable at Louis ville include a chestnut filly by Alvescot—Daruma, a bay colt by Waterboy—Blush Rose, a bay filly by Waterboy—Duchess of Towers and a chestnut filly by Waterboy—Duchess of Towers and a chestnut filly by Waterboy—Bush sister to Ellicott and the Almadic filly is a half sister to Endymion. The last named three are grand looking youngsters and came from the lot that J. B. Haggin picked out to be sent to England to be sold.

J. J. Parkinson, a well known Irish trainer, who

England to be sold.

J. J. Parkinson, a well known Irish trainer, who has done some big things on the English turf, has a strong commercial instinct. He is credited with having made a handsome profit during the "rubber boom." Recently he acquired an anthracite colliery in the south of Ireland and now he is building a railway to develop it. Mr. Parkinson, who began life as a veterinary surgeon, is still keeping on with his racing stable. There are not many cases in England of professional racing men launching out into an industrial career. The most notable are those of Steel and Peech, the famous bookmakers, who, when they retired from the ring, bought a steel plant in Sheffield and made another fortune out of it.

Winner—Ch. g, by Woolsthorpe—Falerna (trained by P. J. Milles).

Went to post at 5:35. At post 1 minute. Start good and slow. Won driving; second and third the same, FALCADA ran in close pursuit of the pacemakers to the stretch turn, then moved up fast and, after disposing of DANGEROUS MARCH and SUPERVISOR, gamely outstayed JOHN REARDON. The latter lost ground when entering the homestretch, where he went wide, but finished with a rush. BROS-SEAU ran well and outgamed DANGEROUS MARCH in the stretch drive. DANGEROUS MARCH and SUPERVISOR showed speed, but tired in the stretch.

Scratched—4255°Captain Swanson, 104; 4317°Flying Feet, 104.
